ADDITIONAL INSTRUCTIONS

Dear associates,

In writing this document the following styles were used:

- **Heading 1** – The title of the paper
- **Heading 3** – All other titles and subtitles in the paper
- **Authors** – names of the authors
- **Body Text** – paragraphs
- **Tabela/Figura/Slika** – titles of tables, figures and pictures
- **Izvor** – sources of the tables, figures and pictures
- **Lista Bullet** – enumerating using bullets
- **List Paragraph** – enumerating using numbers
- **List Literatura** – enumerating the literature

While arranging your paper we recommend you to use one of the following three procedures:

- First option is to use the styles that were created in this document by using the option **manage styles import/export** and import the styles in your paper and allocate the appropriate styles to the appropriate parts of your paper (import is done from your paper)
- Second option is to save these instructions as a new document then erase the text and paste your paper, and then apply the styles that are already created here.
- Third option is to manually create and adjust the styles that already exist in your paper based on the data given in this document.
